PARKER DEWEY

Digital Ambassador Internship

Get Experience. Get Paid. Get Hired.

As a Digital Ambassador, you'll spend approximately 100 paid hours at a local nonprofit helping neighbors get online, build digital skills, and prepare for jobs. You'll build your resume with real work experience and fine-tune the essential skills employers look for, so you're ready for your future career. It's in person, flexible (5 to 15 hours a week), and pays $20 an hour from January to April 2027.

"I wanted to share these skills with my community, and it turned out to be bigger than I thought."

"Helping someone with something I've always known, and watching their confidence grow, has been one of the most fulfilling parts of this experience."

"This work has been extremely rewarding as I am seeing the direct impact of it when I come to class each week."
